ABOUT SMART CITY SUMMIT

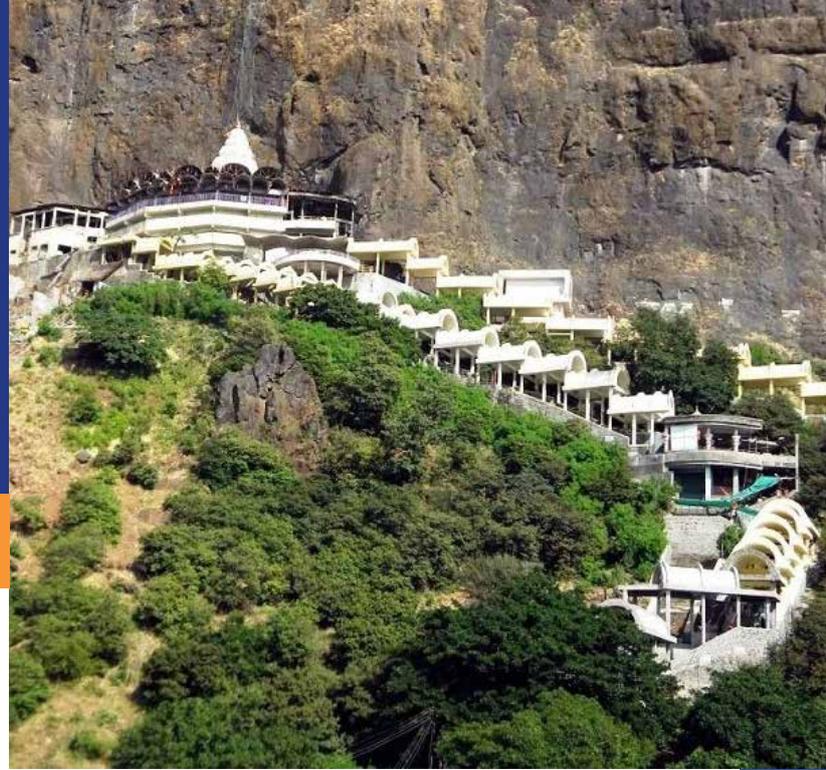

NASHIK:

Nashik provides a blend of tradition and modernism as it strives to be one of the leading cities in India to live, work and play. It provides city living at its best, with convenient and affordable public transport, safe and sustainable civic services and a responsive local government. Nashik chooses to preserve its cultural heritage while creating a sustainable future. Also known as the 'Wine Capital of India,' situated in the northern part of Maharashtra and selected as one of the cities to be made smart under Government of India's '100 Smart Cities Mission,' Nashik is all set for urban transformation.

In this context and taking the legacy of organizing smart city conferences across India, ***Elets Technomedia*** is proud to present '**Smart City Summit-Nashik**' on 29 November 2017.

The '**Nashik Municipal Corporation**' and '**Nashik Smart City Development Corporation Limited**' are the esteemed '**Host Partners**' of the conference.
